

QuickBooks for Mac Conversion Instructions

Direct Connect to Direct Connect

Introduction

As **First Community Bank RGV** completes its system conversion, you will need to modify your QuickBooks settings to ensure the smooth transition of your data. Please reference the dates next to each task as this information is time sensitive.

To complete these instructions, you will need your login credentials for Direct Connect.

NOTE: Direct Connect may require registration. Please contact your financial institution to verify your Direct Connect login information.

It is important that you perform the following instructions exactly as described and in the order presented. If you do not, your service may stop functioning properly. This conversion should take 15–30 minutes.

Thank you for making these important changes!

Documentation and Procedures

Task 1: Conversion Preparation

1. Back up your data file. For instructions to back up your data file, choose **Help** menu and use the Search bar available at the top. Search for **Back Up** and follow the instructions on screen. The first time you do a backup, QuickBooks will guide you through setting backup preferences.
2. Download the latest QuickBooks Update. For instructions to download an update, choose **Help menu** and use the Search bar available at the top. Search for **Update QuickBooks**, select **Check for QuickBooks Updates** and follow the instructions.
